

## POLICE HONOR ROLL AT HEADQUARTERS HAS SEVEN MORE NAMES

The Committee Appointed By  
Waldo Makes Known Its  
Selection of Dead Heroes.

The work of placing the names of police heroes on the Honor Roll in Police Headquarters, which already had thirty-two names, was begun to-day. The seven selected lost their lives in the performance of duty in the last two years and a half. They were picked for the Honor Roll by the committee named by Commissioner Waldo, Vincent Astor, R. A. M. Smith and Philip Rhineland. Following are the names:

Patrolman Michael Lynch, shot and killed by a negro at No. 347 West thirty-seventh street on July 1, 1911.  
Patrolman Thomas E. O'Connell, killed on July 17, 1912, from disease contracted in rescuing a would-be suicide from the East River.  
Patrolman Charles J. Toane and William E. Heaney, shot and killed by an Italian gunman at No. 243 Strawberry street May 3, 1912.  
Patrolman Bernard O'Rourke, killed in stopping a runaway in Fifth avenue, Brooklyn, Aug. 1, 1912.  
Patrolman Patrick Cotter, shot and killed by an Italian gunman at No. 1018 Hughes avenue, Bronx, Aug. 4, 1912.  
Sgt. Joseph McNeirney, stabbed to death on Sept. 28, 1912, by an Italian whom he was trying to arrest.

## GOVERNOR TO AID MITCHELL TO SOLVE PROBLEM OF IDLE

Does Not Favor Putting the  
Unemployed on Public Work,  
Citing France's Example.

(Special to The Evening World.)  
ALBANY, N. Y., Feb. 11.—Mayor Mitchell has solicited the co-operation of Gov. Otis in dealing with the problem of the large number of unemployed in the city.

Referring to the situation, the Governor said to-day:

"The Mayor spoke to me about it in New York yesterday. He is to tell me a better, stating his ideas as to what he can do and what he thinks should be done. I shall take it up with the Commissioner of Agriculture and State Labor Commissioner to see whether we can evolve some practical plan."

"The situation in New York City is partly a local situation. I think that the percentage of unemployed everywhere in the State is not much more than generally prevails. New York City is experiencing special conditions. The real estate situation, for example, is hard, and building operations have been somewhat suspended. Can the State help change that?"

"Some persons advocate putting the unemployed on public works. France tried the plan and went almost broke."

besides helping to produce the second revolution.  
"I am inclined to believe that present conditions are only temporary, and that the problem will solve itself shortly. A month from now spring will be approaching and outdoor work in New York City will be opened up all around."

## STORM HOLDS OLYMPIC PASSENGERS ABOARD

Gale That Battered Liner Across  
Ocean Prevents Them Landing at  
Plymouth—Go to Southampton.

PLYMOUTH, Feb. 11.—The storm-tossed passengers on board the battered Olympic, who had been eagerly anticipating relief from the miseries of their voyage from New York when they reached here to-day, had to go on to Southampton, as the fierceness of the gale prevented their landing or that of the mails.

This was the first time in many years that such a thing had happened here to a liner from America. The weather inside the breakwater was so severe that the tenders were unable to get alongside the steamer, and after two hours of futile effort the Olympic proceeded.  
Police were waiting here to board the Olympic in connection, it is believed, with reports of a gambling dispute on the vessel during the voyage.

## GOOD LIVER OIL AND IRON

Two Most World-Famed Tonics  
Combined in Vinol.

Cod Liver Oil and Iron have proved to be the two most successful tonics the world has ever known—iron for the blood and the medicinal curative elements of cod liver oil as a strength and tissue builder for body and nerves, and for the successful treatment of throat and lung troubles.

Two eminent French chemists discovered a method of separating the curative medicinal elements of the cod's livers from the oil or grease which is thrown away, but to these medicinal elements tonic iron is now added, thus combining in Vinol the two most world famed tonics.

As a body-builder and strength creator for weak, run-down people, for feeble old people, delicate children, to restore strength after sickness, and for chronic coughs, colds, bronchitis or pulmonary troubles we ask you to try Vinol with the understanding that your money will be returned if it does not help you.
